Award Description*

FY 09 Recovery Act Internet Crimes Against Children Task Force Program Grants Program - The Delaware Department of Justice (DOJ) requests OJJDP Recovery Act ICAC funding to enhance the Delaware Internet Crimes Against Children Task Force's ability to pursue, investigate and prosecute the massive proliferation of technology-facilitated child exploitation and victimization in Delaware. Specifically, 48 months of funding is sought to provide the Task Force with much needed personnel, location, vehicle, communication and equipment expenses to augment its ability to seek out, arrest and convict predators in addition to bolstering the ongoing statewide Cyber Safety educational campaign.

In 2007, the Delaware DOJ created the Child Predator Unit (CPU). The CPU's exclusive mission is to investigate, prosecute and punish sexual predators who utilize technology to prey on children. In order to proactively target and bring to justice child predators, the CPU partnered with Delaware State Police's (DSP) High Technology Crimes Unit (HTCU) and the Delaware United States Attorney's Office establishing the Delaware Internet Crimes Against Children Task Force, currently known as the Child Predator Task Force (Task Force). The Task Force is a multi-agency, multi-jurisdictional, statewide entity responsible for coordinating online child exploitation investigations and prosecutions within Delaware. It is an ongoing goal of the Task Force to continue to work closely with other law enforcement and prosecutorial agencies in Delaware to assist in the overall effort to combat online child sexual exploitation.
